

## ANNOUNCEMENT

### ***PIERS Power Search Retired: Transition to PIERS Trade Profiles<sup>sm</sup> Complete***

Effective immediately, PIERS will retire Power Search. This earlier-generation online search application has been running in parallel with **PIERS Trade Profiles**, our Web-based information product, for a transitional period.

**PIERS Trade Profiles** delivers online pay-per-view and subscription access to the most recent 12 months of import-export trading activities and the **D&B D-U-N-S® Number\***-identified business profiles (including contact information) of the more than 300,000 companies most active in U.S. import-export commerce. Launched in 2005, **PIERS Trade Profiles** is compatible with Internet Explorer, Safari and Firefox Web browsers.

All users previously registered for Power Search should have made the transition to **PIERS Trade Profiles**. Power Search users who have not yet arranged to access **Trade Profiles** pay-per-view should go to <http://www.tradeprofiles.com/profiles/servlet/Main> or call +1 800 952-3839 ext. 7128 for more information.

As a current, registered user of Power Search, you are invited to try this new product at 20% off. Simply enter promotion code PPVPS07 when you check out to receive the discount.
